

# One Flex

## Standard and Neon colours

Quite possibly the most user-friendly PU film ever created.

Able to cut fine detail, yet remaining easy to weed with a smooth release and clearly visible cut lines. DH One Flex is a hot peel film that will apply to garments in just 5 seconds, or with a temperature as low as 120C for those heat sensitive garments. Add in multi-layer and superb stretch & rebound properties, it's the One Flex you need...

### Information

- Perfect for t-shirts, sports shirts, sweatshirts, hi-viz garments, caps, bags etc.
- A clear, light adhesive backing enables intricate cutting and registration.
